Each Level 2-B student is expected in class three times weekly.

Each Level 1-B student is expected in class twice weekly.

Primary Level C meets once weekly, but has two sections.

The school director may require new students to attend a special class at the beginning of the term to determine the appropriate placement. It will sometimes be suitable for a student to stay in a lower level, but take one class weekly in the next highest level, until the student is ready to move on in earnest. ***Advancing to the next level will occur only at the discretion of the Artistic Director, after careful evaluation of the student's progress and abilities.***
